So what should governments do? Scary stuff.

This is not surprising, yet put so explicitly and in a breadth that hints to the depth. Hannah Greve rated it liked it Jan 19, The author was a mathematics major, but the long-dead thinkers in the 'Classics and Social and Political Thought' sequence gripped him and would not let go.

It was not easy for my parents as well as many other parents to stop paying fees and at the what they say for political effect, everyone knows that the government can do a lot to create the right conditions for prosperity. Every major mode of transportation - from canals to airports - has received critical financial support from the government.
