In addition to killing her first husband, Richard also helped kill her father, father-in-law and brother-in-law, imprisoned her mother, and was suspected of poisoning Anne. Anne's upset is further increased as Isabel sides with George; her only friend is the King's youngest brother, Richard, who eventually snatches Anne from Clarence's grasp and marries . It is rumoured that on the day she died there was an eclipse of the sun, which son Margaret sees Jasper and is able to talk to Henry before battle commences. The Countess, travelling in a separate ship, embarked safely at Portsmouth, but the royal flotilla did not make land until 14 April, and then only at the small port of Weymouth many miles to the west. Richard was installed again as Lord Protector, though only briefly, before finding himself once more in the political wilderness. I completely appreciate the rise in popularity and attention being brought to Article Talk. George and Isabel are celebrating their second wedding anniversary, but Anne is less than enjoying it.
