There's no record of it ever having been used as a name, though, and we're mystified as to how it got misattributed to the Algonquin language--neither the word Algonquin nor the confusing term "Algonquian" is used anywhere in Roger Williams' book. Whatever real or mythological creature nida originally referred to, it was definitely something known for being enormous.

But it falls into the wrong hands, Scarlett will never be safe. Beth Cato. Two students looked up as she passed then dropped their heads
