Main articles: Mormon War and Utah War. The prairies, they were promised, did not mean backbreaking toil because "settling on the prairie which is ready for the plow is different from plunging into a region covered with timber". Childhood on the American frontier is contested territory. The region had no Plains This Far West intertribal warfare bore no resemblance to the "modern" warfare practiced by the Americans along European lines, using its vast advantages in population and resources. Historians of the American West have written about the mythic West; the west of western literature, art and of people's shared memories. Birzer, The American West p.
