So many memories came flooding into my mind. So my nightly ritual became praying for rain and praying that we would not have a hurricane.

Re-experiencing one feature from an event, may cause the reactivation of other memories. There was a school at the end of the road with 30 kids and one teacher but it closed years ago. Replies to my comment. That old farmhouse stands out in my life. But they always came, and I always remembered, and we would drive home in the giant station wagon and go back to the farm... She took a bit longer than expected to join the family but her parents credit their IVF journey with allowing them extra time to devote to their project.
