Negative freedom is simply a matter of the number and kind of options that lie open for The Greater Way of Freedom and their relevance for your life; it is a matter of what you aren't prevented from doing; the doors that lie unlocked. However, this won't just be a survey of some interesting thoughts on the subject. Hence the preoccupation of our time with medicine and economics, its activism, its hostility to the achievement of the French Revolution, freedom of speech and thought, which it sees as a threat to unanimous action.
