Overall Rating:. Giftbot About Us.

Asoneofthetoponlinetoyretailers,wehaveaccesstounprecedentedquant The pictures are full of silly animals and as you read what each group of animals are called, you and your child might learn something new. I like the way the animals were painted and that you can pick the style of book you and your child like best.

Andofcoursetherearetwenty-fourmorelettersandtheiradorablecritters collection of animal facts at the end of the book will fascinate young readers with something new every time they open this stunning wildlife adventure.
