From Spain](#).

Upon the withdrawal of the Army of the Potomac from the Peninsula, Porter and his corps were attached to the Army of Virginia just in time for the disastrous Second Manassas campaign. Antietam was no exception.

While there the army enjoyed interior lines of communication, it had its back to the sea. His estimates for Southern states were based on Confederate muster rolls--many of which were destroyed before he began his study--and many historians have disputed the results. In this regard, Antietam was like other Civil War battles where bayonet use was an extreme rarity.

Many of the new regiments had no combat experience. Antietam Shadows--walking tour led by the National Park Service. The United States is going down the tubes. Thousands would die from their wounds.
