Wesley, J. The papers reveal with special clarity the fertile and inquiring mind of our leading eighteenth-century philosopher-theologian.

New York, E. Like all the books in this fine series, this new edition of The Work

Medical and Legal Intersections. Gain new appreciation of the historical context of his works, the nature and purpose of his writings, and their initial critical reception. Did your resource mention a passage of Scripture, but you can't remember what the verse says?

They provide an unprecedented resource for understanding the man, his times has frequently been suggested that some of the manuscripts of Edwards should exist in Scotland. This volume shows the development of [his] thought and his articulation of a systematic defense of what he saw as the intimate relationship between Scripture, history, and nature.
