The Scottish Parliament, infuriated that the English Parliament did not consult them on the choice of Sophia's family as the next heirs, passed the Act of Security threatening to end the personal union between England and Scotland. The problem was not so much indecisiveness as a failure to rein in the parochial interest groups within the Party, the government, and the military. CorgisDookieSusan. Share this Share on Twitter. This class, unlike its counterpart in Europe, was never permitted to establish organic roots in society from which it might develop the capability to challenge central authority. But there is no intergenerational bargain constraining Xi Jinping. The only person who has ever come close to the position – Field Marshal Abd al-Hail Abu Ghazala, the charismatic defense minister for most of the s – was unceremoniously removed after many believed that he had become powerful enough to remove Mubarak from office.
