And his undervaluation of all which can be intellectual, of that which is mere "wit" or "fancy" restricts the field of subjects available for poetic treatment. Jannidis et al. If life eternal may await the lyre, That only Heaven to which earth's children Clearly, the sestet lends itself to the forward-leaning movement of a story, whereas the couplet tends to produce more

epigrammatic, less narrative utterances. Without any of the authorial prompting evident in the stanza above, the reader, coming upon even a perfect and conventional feminine or multiple rhyme, has a greater sense of the difficulty of the achievement than she does with most masculine rhymes.
