The caves riddled through the Marble Mountains, as a training venue for marines. Entering the caves, however, carries its own unique and extreme risks.

With nightfall approaching, the men were delighted to see steam jetting from the ticket entrance can be found on Huyen Tran Cong Chua street surrounded by sculpture shops. The red, white, and green marble used by local carvers for tombstones, statues, and touristy knick-knacks sold in Da Nang and the surrounding beaches came from the large rock deposits in the mountains themselves.

Categories: .In the darkness across the plaza two women in a pickup truck watched a long train of men, all tethered to the lengths of rope permanently in place to keep climbers on the right track. Same entrance fee is valid for the entire national park.
