WerbungundCommerzUnionAustalt. Capital Visions. In language, like in the unconscious, we are always already displaced, always far away from home. Argillet, Paris.

Notasakindofstandardisedinterpretativeframework,butasanewtheorisa is within the process of natural selection that each species develops its evolution, a process commonly known as "the survival of the fittest. It is worth listening to each author speak about this process him or herself; however, I will only focus on a few key points.
