Nussbaum and Jonathan Glover. The book was written 10 years after she first wrote an article by the same title. The conclusion gives a fair idea about the opinion of the author. The issuediscussed in this book is very intriguing. Subscribe Magazine News Additional Information. Abu-Lughod thus forces us to look at our assumptions and the cost that such views may have for the recipients of our attention.

The style of the book is accessible and largely free of academic jargon, making presents an interesting and original analysis of Muslim feminism and tells the complex life stories of a number of ordinary Egyptian women, revealing them to be far more than simple tales of oppression. A language of rights cannot really capture the complications of lives actually lived.
