Jun 12, Bongani Mngomezulu rated it it was amazing. Moeletsi Mbeki Find more information about: Moeletsi Mbeki. Mbeki depicts, sans polemics, the disaster of Zimbabwe, then asks: Why the blind eye turned by the governments of other southern African states?

HeworkedintheconstructionindustryintheUnitedKingdomandinTanzaniaac He touches on a number of subjects that seek to uncover why Africa's economic challenges but the main argument that is in this book is that the political elite are responsible for the plight of Africa today. In this account, Moeletsi Mbeki analyses the plight of Africa and concludes that the fault lies not with the mass of its people but with its rulers - the political elites who contrive to keep their fellow citizens

poor while enriching themselves. It maintains that the primacy of class over race in terms of importance has existed since the inception of capitalism and racism. If that happens it may mean that the church is no longer relevant in people's sex
