Bryn Mawr Classical Review

"More than any scholar of the modern era, [Adams] has revealed features of Latin which bring the language to life as a dynamic vehicle of communication among.

Social Variation and the Latin Language by J. N. Adams (Hardback,) for sale online | eBay

Languages show variations according to the social class of speakers and Latin was no exception, as readers of Petronius are aware.

Social Variation and the Latin Language : J. N. Adams :

This book takes a deceptively simple question as its starting point: did the changes to Latin which ultimately resulted in the Romance.

Bryn Mawr Classical Review

Some instances of contact between languages with different prestige levels have resulted in diglossiaa phenomenon in which a community uses a high prestige language or dialect in certain situations, usually for newspapersin literatureon university campusesfor religious ceremonies, and on television and the radiobut uses a low prestige language or dialect for other situations, often in conversation in the home or in Social Variation and the Latin Languagecomic stripsand in popular culture. Specific topics dealt with include: the chronological and spatial scope of Latin; the definition of, and relationship between, Classical and vulgar Latin; changes in the vowel system from Latin to Romance; the development of the future tense; a number of case studies in the lexicon. Rhotacized codas and suffixes are completely lacking in Southern Mandarin.
