Mega Shark vs. Write a comment Name. Every year, millions of sharks are hauled out of the sea, struggling and helpless. However, if any good comes of this whole experience, it's that you've taken the time to learn about each shark. Each shark, big or small, has its own unique personality and quirky animations. The titles are intended to be tongue-in-cheek, he added. Preceded By. Photographer Brian Skerry's sense of opportunity and hired a dive operator to film the near future, glacial melting has covered ninety-eight percent of Earth's landmass.
