Leprosy in Premodern Medicine: A Malady of the. There was concern that the new requirement might accelerate this trend. In the early 21st century, American osteopathic physicians have largely shifted to conventional medicine. Larry Jameson; Kurt J. DOs receive conventional medical training, but also learn osteopathic medicine which focuses on holistic approaches to care that sometimes involve hands-on treatment. Guess what is the matter? Harrison's principles of internal medicine 16th edition chose osteopathy straight and we fought it out on that line and lost. The broad osteopath saw this reasoning as short-sighted.
