In its early years garden history centered on architectural studies of garden design, but in the s the emphasis shifted from garden design to garden meaning. The garden also includes a waterfall at the foot of a wooded hill. I consider it as an abstract composition of "natural" objects in space, a composition whose function is to incite mediation.

DerutaHandmadeCeramics.Findmoreinformationabout:MichelConan. The water is provided to the basin by a bamboo pipe, or kakei and they usually have a wooden ladle for drinking the water. It created an artistic play of light on the surface of the bush, and, according to garden historian Michel Baridon, "it also brought into play the sense of 'touching things'

which even today succeeds so well in Japanese design. Cancel
