I've only read, "Tuck Everlasting," by Natalie Babbitt that attempts exploring this theme The Water Castle children's literature. Okay, this book is seriously mindblowing and amazing. And to think I almost didn't read it because I didn't like the cover :O I think this book has a good chance of winning the Newbery or at least an honor.

SpanishIkeptreachingforsomethingthatwasn't. I highly recommend. I have high hopes for this book This is a completely bogus experiment – the water within the barrel would not be affected in the way intended by the author in this scenario.
