Can we use a guitar-teaching method and apply it to piano? The best 3 articles I have ever read on Modulation Your organization and breakdown of the topic is super fantastic. Twokeys that are adjacent to each other in the circle have six out of seven notes. A bend occurs when a note is picked and then the fretting hand is used to bend the string and slightly raise the pitch. Many chords are a sequence of notes separated by intervals of roughly the same size. Hey Dan, just to help you understand it a little better, think of it this way. Hey Ajo, you are correct the E Major Pentatonic sounds good to. Fretboard Har already know how to find two of these – use the same rule as described above, keeping in mind that dominant seventh chords will contain a major .
