The articles did not deal with concrete political concepts
regarding the unification of Europe or the political
reintegration of Germany into the community of European
states. E-Mail E-Mail. The economic system combines free trade
with market economy. German-Saudi Arabian relations. United
Kingdom. In their Catholic variants, both of these concepts
referred to a romanticized past; both were associated with
"organic" societies; and both concepts were supra-national in
scope, envisaging order being imposed on Central Europe by
Germany and the Germans.
