An unusual or increased level of fascination or respect for death or suicide. Make sure to plan in plenty of downtime. We hear most often about suicides, homicides, and a host of other potentially frightening and off-putting behaviors. LogicalLogicallearnersrelyheavilyonusinglogicandreasontoworkthrou It is okay to tell friends about depression if that helps a student feel understood and supported, and it is also fine if a student would like to have space to be able to work these issues out in their own way. Meditate Taking 10 minutes at the start or end of each day to refocus your brain and find calmness can drastically help reduce anxiety surrounding assignments and exams. Fromamorebiologicalperspective,thereismountingevidencethattheincr you or anyone you know felt or said any of the following? The

following tips might help you cope with what you are feeling as you take that very important step of asking for help.
