His style is unique and easy to distinguish. Quito believes the graffiti on the wall is on its third layer. His work – predominately black and white – has a romantic feel to it, leading the viewer back to a simpler time when friendship and closeness were highly regarded attributes.

Edition: Available editions United Kingdom. I am ashamed of the corruption on

In multiple locations in Santa Theresa, the panels also have a relationship with one or more parallel walls below: . What's that on the side of that building? In some cases the wall encloses a vacant lot top photo in other cases the wall encloses an active property, like the jockey club .

Brazil has a vibrant street art scene, and most of its protagonists use street art as a means of commenting on social and political realities in Brazil.
